

Virtual Knowledge Exchange Open to Mentees starting on June 1.

You've have been asking and now the date is set! June 1 will be the day that we will open to **Mentees**, our brand-new, easy-to-use **Virtual Knowledge Exchange** mentoring program powered by Chronus software.

With support from the **NPGA**, our impressive arsenal of respected and knowledgeable mentors are ready to help you reach your personal or professional potential.

The primary objectives of the program are:

1. To help new and less experienced employees successfully transition into their position
2. To support employees in enhancing their career potential or identifying new career paths

This is a **FREE**, fully customizable program whereby mentees are paired with mentors that are experienced in a specific skill, competency or have knowledge in one or more specific business categories. If you are determined to develop a skill or gain knowledge that will benefit your career and are eager to start immediately, this is the **only** mentoring program for you! Sign up today at KnowledgeExchange.chronus.com

WIP Chair Jennifer Jackson on her first VPE Podcast in June

Jennifer Jackson, Chair of the Women in Propane (WIP) Council in conjunction with the [Virtual Propane Expo](#) (VPE) will be conducting a podcast hosted by the venerable Tom Clark that will outline WIP's newest program, the Virtual Knowledge Exchange (VKE) mentoring program powered by the Chronus software. Jennifer will articulate the program from A to Z in a clear and engaging style that will not leave any question unanswered. Her knowledge and enthusiasm for this remarkable program will inspire you to give yourself the lifetime gift of having a mentor whose goal is to help guide you in your career.
