## Choosing a Mentor Made Easy!

Our **Virtual Knowledge Exchange** makes it so easy for mentees to choose the perfect mentor by using our FREE software powered by Chronus. Simply fill out a short profile and choose your area that you want to learn more about and the Chronus algorithm does the rest.

The program is stockpiled with qualified mentors loaded with the expertise that you want. With your mentor's gentle guidance, goals are set, meetings take place, and a feeling of accomplishment is almost immediate.

Sign up today at [www.KnowledgeExchange.Chronus.com](http://www.KnowledgeExchange.Chronus.com)

## LPGas Hall of Fame Induction Ceremony Set

Nancy Coop

After a one year pandemic delay we will finally be able to celebrate in style the 2020 class that will be inducted into the LPGas Hall of Fame on October 17 in Atlanta.

Among those to be inducted is Women in Propane's founding chair Nancy Coop. Nancy spent three years forming the groundwork, building support and establishing bylaws with a steering committee before presenting the creation of the business council to the NPGA Executive Committee for approval. Nancy has continued her leadership on the council's executive board.

Congratulations to all the 2020 inductees into the LPGas Hall of Fame!
