## WIP Panel Discussion

Nancy Coop, Director of Marketing Cetane Associates will moderate a four person panel on the topic of *Diversity, Equity, and Inclusion*.

Over the last several years, you've probably heard the term 'diversity, equity and inclusion' in the workplace (DEI) multiple times. Businesses are recognizing the importance of embracing this concept. DEI is a necessary business strategy for success. Your company stands to outperform others through adopting DEI practices and gaining a competitive advantage.

The four expert panelists joining the discussion include:

- Michelle Bimson Maggi, V.P. Law, AmeriGas Propane
- Steve Kaminski, President & CEO NPGA
- Jennifer Jackson, Regional Director, AmeriGas Propane
- Joy Alafia, President & CEO, Western Propane Gas Association

You will not want to miss this important conversation taking place at the SE Expo on Tuesday October 19 from 9-10 am.
