

**With appreciation to businesses who supported the Council through corporate membership in 2021, the Women in Propane (WIP) Council acknowledges and celebrates these leading companies.**

Thanks to each of the following companies during this pandemic year for your support of the WIP Council and the Council's business activities. The success of our industry's launch into the next year and beyond is largely dependent on their generous, continuous and valuable support. The council and the industry THANK YOU!

A.R.M. Solutions
